

In Memoriam Our Day Online 2020

In our prayers today we paused to remember all those, in the Mill Grove family and friends, who have died since Our Day 2019.

Over recent years we have had a memorial table in the hall and invited relatives to stand beside it while we prayed for them.

This picture shows the Memorial Table on 9th May 2020.

While preparing for the service we have received news that Beryl, wife of Robin Godden, and Melva Sweeting of Abridge, had died.

We hold all the bereaved families in mind as we pray:

We thank you, Father for the many memories we have of these dear members of the family and friends. As we entrust them to your mercy, grace and love in and through Jesus Christ, we pray especially for their families and all who were close to them. Please bless and keep them. Cause your light to shine upon them, and give them your peace. Grant them the faith to know that Jesus will never leave nor forsake them. May they find comfort and support today, and in the days, weeks, months and years ahead. Hear our prayer for the sake of Jesus, your beloved Son, our Saviour and Lord. Amen.
