

Jean

I wish all at Mill Grove a wonderful 120th birthday celebration. I know that if my grandfather David Hutton, and my father Kenneth Hutton were alive they would be rejoicing with you all as I do.

I wish I could be with you but am unable to do so in the present circumstances but be assured that I will be remembering you and celebrating with you in spirit from Hampstead where I live. Here is to the next 120 years!!! Praise be to God.

Jean
