Smiling Is Infectious
by Spike Milligan

Smiling is infectious,
you catch it like the flu,
When someone smiled at me today,
I started smiling too.

I passed around the corner
and someone saw my grin.
When he smiled I realized
I'd passed it on to him.

I thought about that smile,
then I realized its worth.
A single smile, just like mine
could travel round the earth.

So, if you feel a smile begin,
don't leave it undetected.
Let's start an epidemic quick,
and get the world infected!
