Dear Keith

The Department of Sunday School of the Calvary Church of God in Christ (COGIC) extends special greetings to you today on this momentous occasion. Thank you for the invitation to Our Day on Line 2020. It would be a pleasure to look around and meet the extended family at Mill Grove. Congratulations to both you and Ruth on the work that you continue to do by faith at Mill Grove and we pray for God's sustaining blessings and provision.

May, I also take this opportunity to thank you for your contribution to the development of our Sunday School teachers at our National Sunday School conferences over the years and for your prayers for us. This has been highly appreciated.

Wishing you a wonderful day!

Esther Fenty
