R E P O R T .

DEAR FRIENDS,

Another year has passed away in the history of our work wherein we can but praise God for His bountiful goodness; for in some small measure we have realised the truth of the following text: "All things whatsoever ye ask believing ye shall receive." With an increased number of little mouths to fill we have had to make, as it were, a greater demand for our supplies, and as in Luke 12, xxiv., we read He feedeth them, and in verse xxviii. of the same chapter, He will clothe them too. So we have found that our greater demands have been met by Him, and if we have been used as channels through which these temporal blessings have flowed, in that we have been enabled to pass them on, God be praised, for we know that our Master accepts whatsoever is done as done unto Himself.—Matthew 25, xl.

The Home is for Destitute and Motherless Children, who are admitted after their case has been brought before us and strict enquiries have been made and we are well satisfied as to the genuineness of the case. As we have stated in previous reports our great object and desire is to bring them up in the fear of God and train them in Christian principles, and to prove day by day the reality and truth of God's word, and that it is possible, not only for us, but others, to be able to rely upon Him for the necessities of every day life with the hope that those of our readers may be led to exercise greater faith in God in order that His name may be glorified, His Kingdom extended, and His people upheld and blessed, hence the reason why we do not appeal or in any way advertise this work. Our printed reports are not sent out as an advertisement but in order that the friends who so kindly help may be able to see how their gifts are dealt with.

This time last year we had 17 girls and 14 boys, 31 in all. We now have at the end of our fourth year 40 children in all. We were enabled at Easter to open the third house opposite, and are praying that by the end of the present year we may have two others built and joined to our first two so as the work may be altogether. We shall then have room for over 60 children. Miss F. Hutchin, Auntie to Miss R. A. Hutchin, has joined us in the work and is proving a source of real help both in experience and Christian example. Before this report goes to print Mrs. Carter, from Shepherd's Bush, will also be a worker here.

For some time past we have been wondering what to do with the boys when they shall become old enough to leave school. The girls are sent out to service, or to some other business most suitable to them, but with regard to the boys the position seems more difficult as they would not earn enough to keep themselves for some years after they leave school. After careful consideration we have been led to establish a tea and coffee business under the name of the "Crescent Tea and Coffee Co.," with the idea of drafting the boys, who would be suitable, into this, should they be willing, where we trust there will be plenty of scope for their improvement. ALL the profits to go towards the HOME.

I will now proceed, as in last year's report, with extracts from my diary in order that you may see how the work is daily supported:—

We have not included in the above the gifts which were specially sent for the sale of work. The names of those who sent you will find marked in the list of contributions of gifts.

During the year the children have had, through the kindness of friends, many pleasures, viz. :—
 X An excursion to Clacton-on-Sea, an outing to Higham's Park, three or four picnics in the Forest. A Christmas party, which was held on December 30th, at the request of a little boy, aged six years, instead of having his usual birthday party. This was unique in character. The parents and many friends of the child took possession of the Home for the day (bringing with them all provisions necessary, including a large Christmas tree laden with toys, &c.) and doing all the work themselves

entailed therewith and so giving the workers a rest as well. This was one of the most encouraging events of the year, and was greatly appreciated by the children who were delighted at the appearance of a real live Father Christmas.

On January 9th, two friends gave a magic lantern entertainment to the children, preceding which they sent cakes, buns and sweets for their tea. On two or three occasions the children were invited to their Band of Hope and Sunday School Teas, but were unable to go on account of measles in the Home, on which occasions their teas were very kindly sent to them. Our children went to entertain the Band of Hope at the Baptist Church, Walthamstow and the C.E. at the Baptist Church, Wanstead. A collection was made on both occasions on behalf of the work, which came as a pleasant surprise to us.

It is interesting to note that the individual gifts, both in money and kind were more frequent this year than any other year. The donations, subscriptions and box holders were all increased over last year, and that the total amount received was the largest since the commencement of the work.

						£	s.	d.

Or in other words, we have received in cash £720. 15s. 0 $\frac{3}{4}$ d. without in any way appealing to the public during the four years of our existence as a Home. Glory!

With regard to our expenses, the rent for the three houses amounts to £72 per annum and £21. 18s. 10d. for rates, without gas and water. This added to the general expenses of food, &c., &c., looks a large responsibility for such small and weak people, but blessed be God, we have a strong and mighty Jesus, and it is nothing to do with us only to trust and obey and exercise daily, simple child-like faith in Him. We have never had to go without our meals yet, and whilst we do His will we believe we never shall, for, as Mr. Müller once said, "God is still the living God, and now, as well as thousands of years ago, He listens to the prayers of His children, and helps those who trust in Him."

Another item of interest is that those who are labouring here are doing it out of love to Him, and not for the purpose of earning money, as no one receives a salary, but *every* worker receives 10s. per month, which we call pocket money, and even this has at times been put back into the funds when need has arisen, showing the constraining love of our Lord, and the love which they have to the work which God has called them to.

At present the children are being educated at the Board School, but we are praying that the way may be opened to start a school on the premises, as we feel that for several reasons it would be best.

The girls are kept in the Home until they are 16 years of age and the boys 14 years, situations being found them.

The visiting hours are: for relatives and friends of the children, every Saturday between 6 and 8 p.m., which time must be strictly adhered to unless special permission is obtained; and for visitors, every afternoon between the hours of 3 and 5.

Our Fourth Annual Sale will be held on Monday and Tuesday, December the 12th and 13th, commencing on both days at 3 o'clock. I shall be glad if friends who are sending things for same this year will kindly let me have them not later than Friday, the 9th of December.

Now that the work is growing it will greatly facilitate matters if friends will please send their gifts in money and kind addressed to me at our second house, No. 14, Crescent Road East, as I am anxious to note everything which comes in.

In closing this Report we feel it would be nice if our readers will join us during the ensuing year in prayer for special things. We shall meet every Saturday between 8 and 9 in the evening to pray, amongst other things, for the following:—

That God may glorify Himself through the workers here;

That God will save ALL our children;

That He will answer our prayers for a permanent Home;

That the way may be opened to start a Day School;

That the Lord will use us for the salvation of the people in the immediate neighbourhood (we have been out for the past five months every Sunday evening with some of the children and held open-air meetings); and that

The daily need may be supplied.

"The effectual fervent prayer of a righteous man availeth much."—James 5, xvi.

Again we praise God and thank all our many friends who have so lovingly helped during the years which are past, and we now look forward, believing that He will do in the future "exceedingly abundantly above all that we can ask or think, according to the power that worketh in us."—Ephesians 3, xx.

Yours in Him,

HERBERT W. WHITE,

Hon. Director.
