EDITORIAL NOTES.

It will be quite impossible for us to put in print on account of space all that we would like to in sending to our friends this issue of "Links." The Diary etc. has to be curtailed and we are forced to leave out letters from old children etc. as there is a great difficulty in getting paper.

o o o o o o o o

One thing we do desire to do and that to bless the Lord for all His goodness to us during this our 17th year. "Bless the Lord O my soul and all that is within me bless His Holy Name. Bless the Lord O my soul and forget not all His benefits."

"Who forgiveth,"
"Who redeemeth,"
"Who satisfieth,"

o o o o o o o o

We now have 58 children under our care, which added to the number who have left us makes a total of 231 cases we have helped since the start.

o o o o o o o o

We have been quite free from sickness and disease, for which we Praise Him.

o o o o o o o o

Our working parties and boot clubs have again rendered us splendid service and we heartily thank these and all others who have obeyed His voice in helping us to feed and clothe His little ones.

o o o o o o o o

Please continue to specially pray for Dr. Flegg who is again at the front and for our 21 old boys who are in the Forces, 3 of whom have been wounded.
