

Greetings from David & Karen

Hi there.

These are photos of David, myself and Noah our Grandson on one of our many trips last year. We purchased a camper van and have enjoyed many adventures! We were planning to drive to Denmark this month to visit friends on Bornholm Island, but sadly the Corona Virus has put that on hold. It's been an eventful year, busy too. Esther our eldest daughter is currently finishing her Masters' and working full time, as well as being a single mum. She is looking to do a PhD at Hull University next year!

We have been fine and are managing well. David works from home and I am finding plenty to do, being creative, and with lots of reading. But most of all, my relationship with Jesus has become so much deeper, and just spending more time in His presence is a joy.

Our very best wishes to you all.

God bless

Love

David and Karen
