

Greetings from Howard and Jill on receiving *Links* 2020 in NZ

Thanks for sending *Links* for another year. Really appreciated news of a lot of names. Good to hear that Frank and Dave are still keeping things shipshape, also Ruth, Denise and Rosemary. Good to read of my Father's and Uncle Stephen's contribution to your work; the Badminton club. News of Charles and Derek Davies etc. We were hoping to come over to celebrate our 60th Anniversary with our UK family and friends this year but travel restrictions make it unlikely.

This is Anzac public holiday W/E & NZ moves back from level 4 to 3 tonight. Some workers allowed back to work, including most tradesmen, so our builders will be able to restart the two homes [1 x 5; & 1 x 2 bed] that Mark and Maree are having built for us all. Latest completion date now September? They sold up over a year ago and moved in with us. We are all surviving and keeping fit. This has been an amazing Autumn weather wise. We have an exercise bike, forest opposite and the beach within walking distance but we all need a good holiday!

Blessings to you all. Thanks again. He is Risen indeed Hallelujah. See you soon? D.V.
