

## Jennifer, Grand-daughter of Herbert White's Sister, Beatrice

Guy (Starck), a first cousin of Victor White, and I, had a wonderful visit in Jan 2017... Keith brought me to his home in Theydon Bois and there we took a photo of us holding the 'White sisters' photo taken when my grandmother Beatrice returned to England in 1925 for the passing of her father Thomas (father of Herbert White). There are also photos of me with Victor and Margaret, Louise and Margaret, Guy's wife.
