

Sylvana & Family

So Wonderful to hear from you. I'm glad to hear that you are all keeping well and I'm looking forward to watching the 'Our Day' service online this Saturday.

It is so wonderful to hear of how the playground and orchard are still being used. And even more wonderful to hear of God's goodness and faithfulness in the provision of a full harvest store which has been able to bless so many.

I miss Mill Grove very much and think about everyone often. I hope to come see you again one day soon with a new family member in tow. I have also attached a photo of Jason and myself with our new addition Ari Samara Yu Jieh Kao.

I hope it's getting a little warmer there, and I will be praying for the continued good health of all the Mill Grove residents and families.

Love

Sylvana, Jason and Ari
