

**Greetings from Jean, Hainault Road Baptist Church,  
now working with the Deaf in Austria**

I live in Austria (am now a "retired" missionary, but still working with the Deaf here) and although I was never actually involved with the Children's Home, I have been involved with HRBC for some considerable time. Therefore, I would just like to send greetings from Austria with a view of the really lovely place the Lord sent me to last year.  
(I lived in Klagenfurt before this.)

Greetings in the Lord from

Jean
