

## Greetings from Woodford Wells Ecumenical Church

Dear Keith

Good to hear from you.

I have it in mind to mention "Our Day" in my weekly email to members which will go out tomorrow, 2<sup>nd</sup> May. As you say, it will be some time before we can meet together, but we are all finding ways to worship on Sundays and our Midweek Fellowship continues to meet over the phone on Thursday mornings. Mill Grove certainly remains in our prayers.

I do so hope that this nasty virus hasn't found its way to Mill Grove and that you all remain safe and well.

With both my own greetings and those of the Fellowship at WWEC and every blessing

Shalom

Angela
