

Greetings from Ceri & Vernon, NZ

Greetings to all the Mill Grove family from New Zealand. We know we've had it a lot easier than many of you over the last 16 months - how lovely it would be if you could all come over for a holiday with us here! But thank God for modern technology and communication:)

Here is a recent photo of some of the family- we do a regular Sunday afternoon walk up Mt Eden and this was yesterday afternoon.

Some of you will recognise Seth, Jessabel, Gabriel, Casper, Vernon, Reuben, Jaya and Abram.

With much love

Ceri
