

Dear Keith, Ruth and all the Mill Grove family, Hi from the Lee family in Kuala Lumpur and everyone in Jigsaw in Manila. It continues to be such a difficult year for the world and especially in India and the Asia region and our prayers go out to all who are suffering so much. For us it has been very hard not being able to come home or see Rebekah for another year. However, despite these difficulties we see the love and Grace of God shining through in our lives and in the ministry of Jigsaw in Manila, praise God. Highlights for us this year was being able to take a short break to the beautiful tea plantations of the Cameron Highlands and Christmas day which we spent with a wonderful group of International students from China, Egypt, Malaysia, Afghanistan, and India.

Jigsaw Send their love and greetings.

Kate, Grace, James and Tim in Cameron Highlands, Feb 2021.

Rebekah enjoying a windy walk.

We are looking forward to coming home in July when Kate's teaching contract finishes and especially excited to visit Mill Grove and even spend a few days in Wales if that is possible! Greetings to you all with love Tim, Kate, James, Rebekah, Grace, and all in Jigsaw.
